

Welcome to Stonington Kennels, a full-service boarding, grooming and training facility owned and operated by Licensed Veterinary Technician, Tracy Del Duca and Husband Jim Del Duca. Stonington Kennels was opened in 1978 and the quality of care for the pets staying here has continued to be our highest priority.

What makes us different?

Our kennel is nestled on 10 rolling acres of grassy play yards and fields. We have an on site home that provides extra security and safety. Here at Stonington, we strive to create a stress-free environment for all who stay with us. Pets that stay here are never put with others unless they are house mates. We give each of our guest our personal attention through play and exercise. Let our family be your pet's extended family, let Stonington be their home away from home. To book a reservation, please visit our website and request a reservation. We encourage you to come meet us and tour our facility.

DOG BOARDING

Each dog has its own 4'x4' inside bedroom with a see-through door that leads to their own 4'x10' outside covered run. Suites are also available with 8 x 4 inside bedrooms with a 8 x 10 outside covered play area. All insides and outside runs are cleaned and disinfected daily. Water is available at all times. Music is played continuously to provide a pleasant, relaxed atmosphere. Bedrooms are kept at a comfortable temperature throughout the year with natural ventilation, air conditioning and heat. Bedrooms are kept at a comfortable temperature throughout the year with natural ventilation, air conditioning, heat and ultraviolet sterilization in our ventilation systems.

Individual play sessions are available for a small additional fee. This is the time that we bond with your dogs through play and petting. Play sessions are done individually or with house-mates. Play sessions are done individually or with house-mates in our outdoor play yards

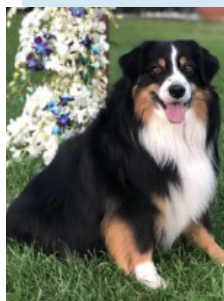

CAT BOARDING

Welcome to the Kitty Corner of Stonington. Each cat has its own condo with different levels to play and relax in. We rotate the cats through our playtime schedule which allows them to roam the room, find the sun to lounge in or climb on one of our many play scapes. We love to pamper your cats with love and play in an environment that is stimulation and comfortable.

FEEDING AND MEDICATIONS

Bring your pets food or we can provide canned food or kibble. We require all food brought in to be in individual bags per feeding with the pets name written on it. For longer stays, or households with multiple pets you can bring food in a container with a lid.

Medications are administered as prescribed. Medications must be brought in their original bottles or packaged into a weekly pill divider. Pets that require insulin will be charged an extra daily fee. We welcome special needs pets! Ask us how we can accommodate your individual pet.

HEALTH REQUIREMENTS

We require vaccines to be up to date on ALL pets staying with us. Written documentation from Veterinary must be present at time of arrival or can be emailed to www.stoningtonkennels@hotmail.com.

This is for the protection of all the animals.

For Dogs

Distemper
Bordetella
Rabies
Negative test for Heartworms
Negative test for parasites through Fecal Test

For Cats

Feline Distemper
Rabies
Negative test for Feline Leukemia

Note: We follow the recommendations of your veterinarian. If your pet no longer receives certain vaccines, a note from your veterinarian will be required.

TRAINING

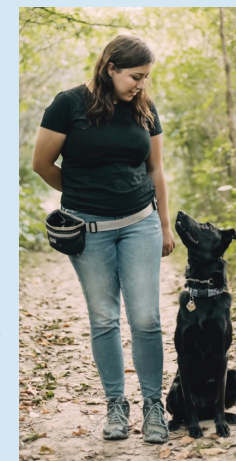

We offer an array of personalized training programs to suit you and your dog's individual needs. Please schedule an evaluation with our trainer to help you determine the best option for you.

Classes

Small groups of owners and their dogs learn basic and advanced commands in a structured and safe environment.

Private Lessons

Individual lessons one on one with you and the trainer covering basic and advanced commands in home or on site.

GROOMING

Our professional groomers carry on the compassion and care that our boarding staff gives for each dog. With over 30 years experience, we strive to give your dog the experience they deserve. All dogs are groomed with top quality shampoos and treatments. They are groomed to your specifications unless we are unable to due to the health or behavior of your dog.

We offer baths, nail trims, and complete grooming.

Complete Grooming
Bath
Fluff Dry
Final Bush out
Nail Trim
Ear Cleaning
Final clip and scissoring

(Note: we do not offer anal gland expression. As a Veterinary Technician I feel that this is a medical procedure and should only be done under the advisement and care of a Veterinarian.)

HOURS by appointment only

Monday thru Friday	morning	9:00 am to 11:00am
	afternoon	3:00pm to 6:00pm
Saturday	morning	8:00am- 10:00am
